1: Holmberg--30 (1941-42) 1950 Siriono
116, 312, 361

"There are plenty of rivers, lakes, and streams in the territory of the Siriono that contain a fresh supply of water the year around. Even when one is traveling through the bush during the height of the dry season one can usually find a water hole, a stream, or a brook from which to drink. Camp sites are always located near these spots. No wells are ever dug."
